

I _____ commit to live my life on Mission.
(FIRST) (LAST)

By God's grace and through His word I will view myself,
my church family, and my mission through the eyes of Jesus.

I will refuse to believe any lie the enemy speaks to me regarding
my identity, my Church family, and our mission together.

I commit to taking my place on this earth as a light in the midst of
darkness, a voice for the helpless, a transformer of society, and a
life that expands the Kingdom of God wherever the soles of my
feet walk.
