

Unlikely Fighters

Ice Breaker:

What dish has to be on the table or it's not Thanksgiving?

God uses Unlikely fighters to face unbeatable giants, so He can accomplish an unimaginable Victory!

1. You are an unlikely fighter.

The Bible is full of unlikely fighters. God uses the foolish so that He will get the glory when they succeed.

Read Together: 1 Samuel 17:1

What are the ways that the enemy convinces you that you are unlikely to be used by God?

2. Unbeatable giants

Read Together: Romans 6:1

What is your giant? You can't crucify what you can't identify.

We do not go on sinning. The giants we face are to be taken out.

Take some time to name the giants in your life.

3. Unimaginable Victory

There is power in a name because it tells the hearer the context that you come from.

There is power in the name of Jesus.

Read Together: Hebrews 12:2

Our victory is with the Cross and the blood of Jesus. When Jesus yelled, "It is finished"
The Ultimate Goliath (Sin) was defeated once and for all!

One of the ways the Enemy keeps us from living the fullness of Life that Jesus bought on the cross is Shame.

Take some time to pray together to ask God for victory over shame and the Giants that are in your life.
