Baptism Sunday

Ice Breaker: What things are you noticing outside your home or car window this week?

Read Together: Romans 6:1-11 (NLT)

Discuss:

- What do you see in the scripture for this week that touches your heart?
- What was the Holy Spirit saying to you as you watched Baptisms?
- Have you been baptized?
- What are you waiting for?

Pray:

- Pray for any person that got baptized on Sunday that you particularly noticed.
- The enemy will try to steal, kill and destroy the joy of each participant in Baptism. Pray that God will hold them strong.
- Ask God to give you courage to be baptized if you have not taken that step.
