**Discuss:**

- What invitations are you currently experiencing in your circumstances?
- What doorways may God be opening through your circumstances?
- What gifts is God giving you that you don't think of as a gift?

**God does not waste anything!**

- How did God personally come to pursue you?
- God Still Wants a Relationship with You. When will you stop running?

**PRAY:**

- Ask God to remind you of ways He has pursued you.
- Ask God if there are any circumstances He is trying to use to draw you closer to Him.
- Ask God to give you eyes to see the ways He is trying to meet with you.
- Ask God if you are running from something He is trying to give you.
- Ask God to give you supernatural discernment to recognize gifts that may look like trials.
