

LET IT *shine!*

 ENLACE
equipping churches to transform communities

“You are the world’s light—a city on a hill, glowing in the night for all to see. Don’t hide your light! Let it shine!”

Matthew 5:14-16

Dear Friend,

Over this last year, I have seen first-hand so many amazing ways that light has come to poor communities in El Salvador.

Despite their own poverty and need, local churches have worked together with their communities to meet the needs of the poorest of their neighbors.

International service teams from churches all over the world have spent time and resources to travel to El Salvador and collaborate with local churches, coming alongside their ongoing efforts and bringing much needed encouragement and support.

Strategic partnerships with local and international organizations have helped once forgotten and marginalized populations to receive care and attention.

Thanks to donors like you, the light of God’s love is shining in lasting ways!

And it doesn’t have to end yet! Help local churches continue to light up their communities and respond to their neighbors in need through projects such as road building and repair, new home construction, eco-stoves, tilapia ponds, home gardens, school infrastructure, medical clinics, and home care visits. Just to name a few!

Let your light shine for all to see during this holiday season!

Donate your tax deductible gift online at www.enlaceonline.org/support or fill out the enclosed form.

We appreciate you and your support!

Sincerely,

Ron Bueno,
Executive Director
