Dear Faith Bible Chapel,

**Thank you for helping make another year of Confluence Ministries impactful in the West Colfax community, the City of Denver and Beyond!** It has been a remarkable year of networking and connecting resources with the needs of real people. Every effort we make is driven by love, compassion, a heart to serve, with responsiveness to the needs around us, realizing God can do great things through us as we collaborate together. Not only are we working together daily as a staff and volunteer team at the outreach center meeting practical needs, but we work diligently to fulfill our mission of connecting pastors, churches, non-profit leaders, schools and government leaders, to more effectively engage individuals and families pursuing a better way of life.

Our approach has always been...**be available...build relationships...be expectant of what God will do!** Opportunities for ministry come naturally, doors seem to open for people who are willing to work together. We see His hand daily in our efforts to help others find their purpose and potential in life. We know God is interested in people and His plan for them!

We look forward with anticipation toward the new opportunities this year will bring! **We are truly grateful for you, our faithful donors and partners in ministry!** Your valuable contribution and involvement is needed and continues to fuel this endeavor to, "seek the well-being of our city". We heed the wise words of Jeremiah who spoke from God, "Seek the peace and welfare of the city to which I have carried you. Pray to the Lord for it, because if it prospers, you too will prosper."

Practically speaking, in 2017 we want to see an increase of musicians, artists and dancers working together to creatively express a powerful message of hope. **We believe we can make a significant impact in our culture through the arts.** It's our desire to encourage the gifted, creative artists in our midst. Along those same thoughts, we are excited for the new semester of ESL/GED classes, computer training, tutoring of the children, monthly collaborative meetings, and the neighborhood festival soon to be upon us!

As we continue to be **a consistent presence with a heart to serve**, we are privileged to have a place of influence and show Christ's love. Please pray for us as we intentionally engage our community of need and the city of Denver.

Sincerely, *Jude & Cindy Del Hierro*
